Hello, my name is _____ and I am a resident of _____.
I am calling to ask that your company immediately halt all construction on the (sacred) San Francisco Peaks and withdraw your contract with Snowbowl.

Your participation in the expansion of Snowbowl Ski Resort threatens the very health and safety of our communities, the environment, the homes of endangered species and our water security.

- **To the 13 Indigenous Nations that hold this mountain sacred, you are an accomplice in cultural genocide.**
- **To the children who will accidentally eat the wastewater snow, you are risking their health and their lives.**
- **And to the fragile alpine ecosystem already under duress, you are committing irreparable harm and death.**

You are not absolved of your responsibility. Immediately halt all construction and withdraw your contract with Snowbowl! As long as your involvement continues, we are committed to protecting our communities.
